TECHNOLOGICALLY ADVANCED ALKALINE RO WATER FOR DETOXIFICATION

Tesla Power USA presents a state of the art technology that brings 13 stages of purification to your water of up to 2500 TDS. Alkalino contains a built-in detoxifier and gives you high-quality and pristine alkaline water. Alkaline water has higher than normal (7.5-9) pH levels. Alkalino provides Kangen RO water that raises tap water pH by ionizing and splitting the water molecules. It has the power to neutralize the acid in your body. Kangen RO water or Alkaline water is a powerful anti-oxidant and can prevent several diseases such as high cholesterol, diabetes, and cancer amongst others.
